

2nd China-Japan Health Economics and Policy Research Workshop

Time: March 21, 2014

Venue: Manasseh Meyer Seminar Room 2-3, NUS Bukit Timah Campus

The workshop is a continuation of discussions initiated at a workshop in Kumamoto University in 2012. The objectives of this workshop are to share the research of health policy and health care systems in these two countries and to facilitate collaboration on health economics and policy studies between China and Japan. The one-day workshop focuses on the empirical studies of the health policies and health reforms from different perspectives including policy makers, medical professionals as well as health policy researchers.
